

Gingerbread House Preschool

Classroom News

Over the last two months, the children have been busy exploring different aspects of paleontology and archeology. Our next area of inquiry will be "inventions." If you have any "blueprints" that the school could use, please bring them into the school. Registration for the 2019/2020 school year is now open. If you have any questions, please speak to one of the teachers.

Occasional Drop-in Days:

Occasional Drop-in Spots are open to any child who is registered at Gingerbread House Co-operative Preschool in that current school year. The availability of the spots is reviewed yearly and is dependent upon the number and needs of the children already enrolled in each program. If available, the Staff will post the number of spots available for each program day, on the parent board.

If interested, the Occasional Drop-in Day fee is \$30.00/ day, which is collected at the start of the program, by either cash or cheque. The child will not be able to attend unless payment is made first. A parent/guardian must contact staff by email (day before), text or phone call (morning of) to confirm whether there are spots still available and to arrange a drop-in.

The Staff reserve the right to cancel the option of having occasional drop-in days, at any time.

Fundraising

Thank you to all parents who donated money or items toward our wish list. We raised a total of \$370. Our next fundraiser will be our bake sale on April 14, 2019.
