

Gingerbread House Preschool

Classroom News

We hope everyone had a relaxing holiday break with their families. Thank you for all the cards, gifts and kind words during the holiday season. We would also like to thank all families for attending our holiday concert and contributing treats. The new year will be filled with many new learning opportunities! This month the children have been busy learning about paleontology and archeology. The children have been exploring many new dinosaur books and have even been digging for fossils! Next month, the children will learn about Chinese New Year and celebrating friendship.

Dates to Remember

Wednesday, February 13th – Valentine Celebration (Monday/Wednesday Class)

Thursday, February 14th – Valentine Celebration (Tuesday/Thursday Class)

Monday, February 18th – Family Day (No School)

Monday, March 11th – Friday, March 15th – March Break (No School)

**If you are sending Valentine cards to school, please address the cards to "My Friend" or leave blank. The Monday/Wednesday class has 20 children and the Tuesday/Thursday class has 19 children.

Fundraising

Please welcome Amanda Hauck who will be taking on the role of fundraising in the new year. We hope to hold another bake sale at the church this year. We will also be selling Vesey's seeds and bulbs in March/April.

Thank you to all parents who donated money or items toward our wish list. Thanks to your generosity, we now have:

- The lifecycles of the frog, butterfly, turtle and bee.
- A new CD player to be used in our reading centre
- Snow shovels
- 7 boxes of magnet toys
